

REAL TREES 4 Kids!

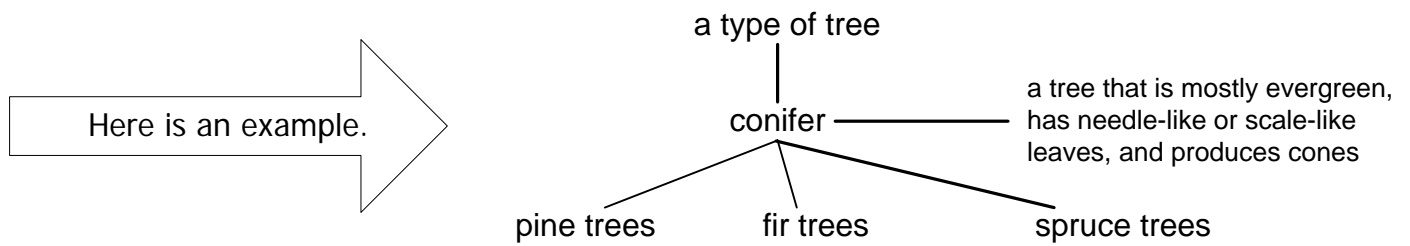

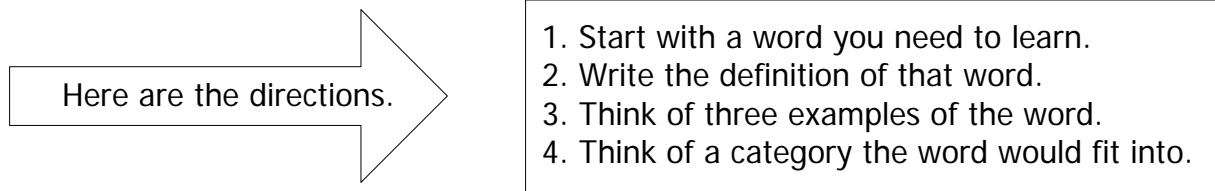

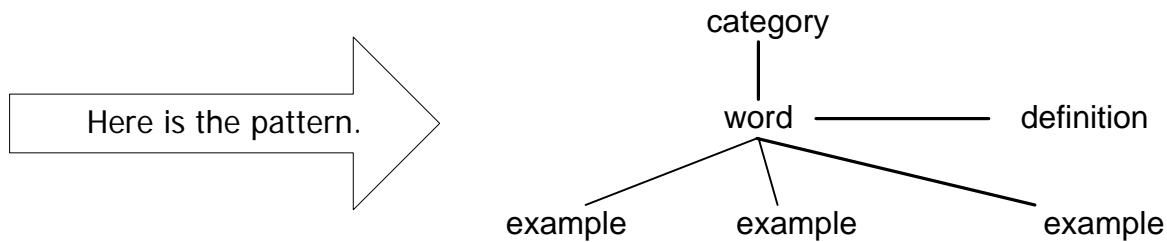

The story and science of REAL TREE farming.

Grades 3-5 | Grades 6-8 | Grades 9-12

Map It! Words to Know!

Ready for a challenge? Create a vocabulary map for each of the words below.

Here are the words!

- Abiotic
- Agronomist
- Artificial propagation
- Asexual reproduction
- Biome
- Biosphere
- Biotic
- Carrying capacity
- Chromosomes
- Community
- Consumers
- Cultivar
- Diploid
- DNA
- Economist
- Ecosystem
- Ecological succession
- Economist
- Erosion
- Gamete
- Gametophyte
- Gene
- Genetic code
- Haploid
- Hereditary
- Humus
- Laws of supply and demand
- Limiting factor
- Manufacturers
- Market economy
- Megaspore
- Mineral
- Niche
- Organic
- Ovule
- Parent Material
- Population
- Producers
- Propagation
- Selective breeding
- Sexual reproduction
- Soil
- Soil profile
- Soil survey
- Sporangia
- Sporophyte
- System
- Vegetative reproduction
- Weathering
- Zygote
