

Read On!

When students finish working through this section:

1. They will have read and reviewed several books dealing with plant growth and development.

This purpose of this section is to provide a list of books for further study on the topic of plant growth and development.

Possible Discussion Points/Activities:

- Ask students to print and complete the *Think Tank* assignment. This can be done as a whole class, in small groups, or as an individual activity. Discuss and share!

Books:

- Seeds and Seedlings
Elaine Pascoe, Dwight Kuhn, and Nicole Bowman
- Plants of the Forest
Andreu Llamas, Miquel Ferron, and B. Marvis
- The Magic School Bus Plants Seeds
Joanna Cole and Bruce Degan
- 3D Eyewitness: Plant
Eyewitness Books Series
- Plants Feed on Sunlight: And Other Facts About Things That Grow
Helen Taylor and Stephen Sweet
- Green Plants (Our Living World)
Jenny E. Tesar, Wendy Smith-Griswold, and John L. Behler
- Tell Me Tree: All About Trees for Kids
Gail Gibbons

If you have some favorite tree or plant books you'd like to share with other visitors to REAL TREES 4 Kids!, tell us what they are! E-mail us at design@realtrees4kids.org.*

*Please note: *REAL TREES 4 Kids!* does not collect names or email addresses for any purpose. Please read our privacy policy for more information (<http://www.realtrees4kids.org/privacy.htm>).

Grades 3-5 | Grades 6-8 | Grades 9-12

Words to Know in this Section:

- The *Words to Know* area in this lesson contains a *Map It! Activity* (with directions). The word list includes all vocabulary words located in the grades 3-5 materials. Teacher directions can be found on the teacher page in the right menu bar.
